SUMMARY

Proficient in both front-end and back-end technologies, including HTML, CSS, JavaScript, React, Node.js, and databases such as MongoDB and SQL. Adept at collaborating with cross-functional teams to deliver user-friendly and responsive solutions, ensuring a seamless user experience. Strong problem-solving abilities and a passion for coding, with a keen eye for detail and a commitment to writing clean, maintainable code. Proven ability to manage projects from concept to completion, with experience in Agile methodologies and version control systems. Eager to leverage expertise to contribute to innovative projects in a dynamic environment
